**References:** Policy OEL-PI-0035-06

**Purpose:** To address the number of re-enrollments a student may have in while enrolled in the VPK program.

**Background:**

The OEL policy on re-enrollment in the VPK program after withdrawal or dismissal from the program (OEL-PI-0035-06), establishes **no limit** to the number of times a student wishes to re-enroll with another provider.

**Policy:**

To ensure continuity of care, Pinellas County Coalition will allow a student who wishes to re-enroll with another provider for any reason other than extreme hardship may do so **once** if the student has completed 10 percent or more of instructional hours but has not substantially completed the program.
